

Mohawk Riverside Landing Letterbox

Begin at the parking lot and enter the trail opposite the restrooms. Check off the pictures as you pass by them. The last picture is already marked. This is where your letterbox is hidden. When you get to the second –to- last picture, your letterbox will be hidden behind the thing in the photo.

Trivia: Name three animals pictured on the “wildlife” sign located on the opposite side of the “Bike Hike Path” sign. Call 810-0315 or email bombab@colonielibrary.org with questions.
